Profile

- DashBoard

↳ list as available Wholesale (Button)

- Your inventory

↳ list as want to buy more like these. (Button)

→ Canadian Retail

→ Copy ameliorate of Pulse.

→ Appraise

→ system a bit like signal ^(simple) that also prefitter the Pulse tool and leads to a suggested trade in value.

→ Export

↳ leads to a Retail/Wholesale button, IF retail will suggest you a price depending on the area you'll retail, IF wholesale will suggest a province to wholesale taking in consideration shipping cost.

→ Reference

→ select the country → USA → some ~~place~~ as signal
↳ A "like pulse" in the future for USA → others in the future

→ Values as Risk Formulas

→ Retail stores → country/provinces → All signed up dealers with a contact person

→ Target Market

→ Wholesalers →
→ Transporters →

base
some ~~place~~ as signal

wholesalers
Transporters
